ANTIOCH, ILLINOIS, THURSDAY, APRIL 15, 1971

VOL. LXXXV. NUMBER 43

His Eminence John Cardinal Cady will celebrate the Sacrament of Confirmation on Sunday, April 18, in St. Peter's Church at 3 p.m. A reception will be held for him in the Social Center from 4 to 5 p.m. The parishioners, parents and friends of the children are requested to park North of the Social Center. Members of the community are invited to attend the afternoon ceremony.

Education Fund Hike Proposed

The Board of Education and the Administration for Antioch Community School District 117 will present the voters of the District with an opportunity to approve a forty cent increase in the Education Fund Tax rate on Saturday, April 24.

The Board has not idly arrived at this request for a tax rate increase. It has focused on two primary goals. One was to maintain a conservative fiscal attitude, and the other was to provide the community with an active, good educational program. The record would indicate that both goals were reasonably accomplished. Our efforts are now directed towards maintenance of the fine program we have developed. It has been necessary for the

Board to spend in excess of its actual revenue receipts for some seven years. At the first signs of deficit spending the Board did not rush to the voters with requests for an educational increase. With fiscal restraint and a calculated examination of resources, the Board planned to maximize the effectiveness of the educational program, and also hold the line by carefully examining our expenditures.

In addition, properly authorized interfund borrowing has been used. This kind of action has paid off for our community taxpayers. A request for additional rates in the same time we have not had to borrow from outside sources, and, therefore, have avoided paying institutional interest rates. It has been some twelve years (Continued on page two)

Night Owl Sale Set For Monday

The Antioch Chamber of Commerce will sponsor its first spring promotion—Night Owl Sale—Monday from 8 until 11 p.m. Special bargains at prices that effect real savings will be offered customers visiting the outlets participating in the sale.

Stores participating are Ace Hardware, Antioch Drugs, Antioch V & S Hardware, Barnstable's Department Store, Ben Franklin, Erickson's Sewing Center, General Store, Gibbs & Jensen Carousal, Jayne's Dress Shoppe, Reeves Drug Store, The Shoe Box, Shu Save, Stanley's Men's Fashions, The Tot Shop, Town for Men & Boys, Walsh's All Seasons and Western Auto Store.

Cotillion Slated For Saturday

One of the major events of Antioch's spring social calendar will be staged Saturday at The Abbey, Fontana Club, where the Antioch Mental Health Association Cotillion will be held Saturday, April 17, at 7 p.m.

The cotillion will be preceded (Continued on page four)

Assessment Changes Listed

Changes in the assessed valuation made by the Lake County Board of Review in Antioch Township for 1970 appear on the inside pages of The Antioch News.

12 Candidates In Race For 4 Trustee Offices

Twelve candidates were winding up their campaigns for four seats on the Antioch Village Board.

One of the posts to be filled is a 2-year unexpired term which was vacated less than a year ago when Richard Daniel resigned from the board when he moved outside the village limits.

The other races are for four year terms.

The election will be held in the Village Hall, with voting beginning at 6 a.m. and ending at 6 p.m.

Residents must be registered to cast votes in the election.

There are two parties in this year's village election. They are the Village Party and the People's Party—the latter composed of incumbents.

Village Party candidates seeking four year terms are Arthur R. Meierdick, Jr., a former board member; Frank W. Kuechenmeister, an employee of the Commonwealth Edison, and a member of the Antioch Volunteer Fire Department; Robert H. Bemis, who is associated with W. E. Petty Realtors, and Ronald S. Vos, a member of the Planning Commission, and superintendent of Benes Construction Co.

Vos is the candidate for the 2-year unexpired term.

(Continued on page two)

Senior From Antioch Wins Scholarship

Janet Lemcke, 17, daughter of Mr. and Mrs. Robert E. Lemcke of RFD 5, Box 86, Antioch, has been named a winner of a four-year merit scholarship.

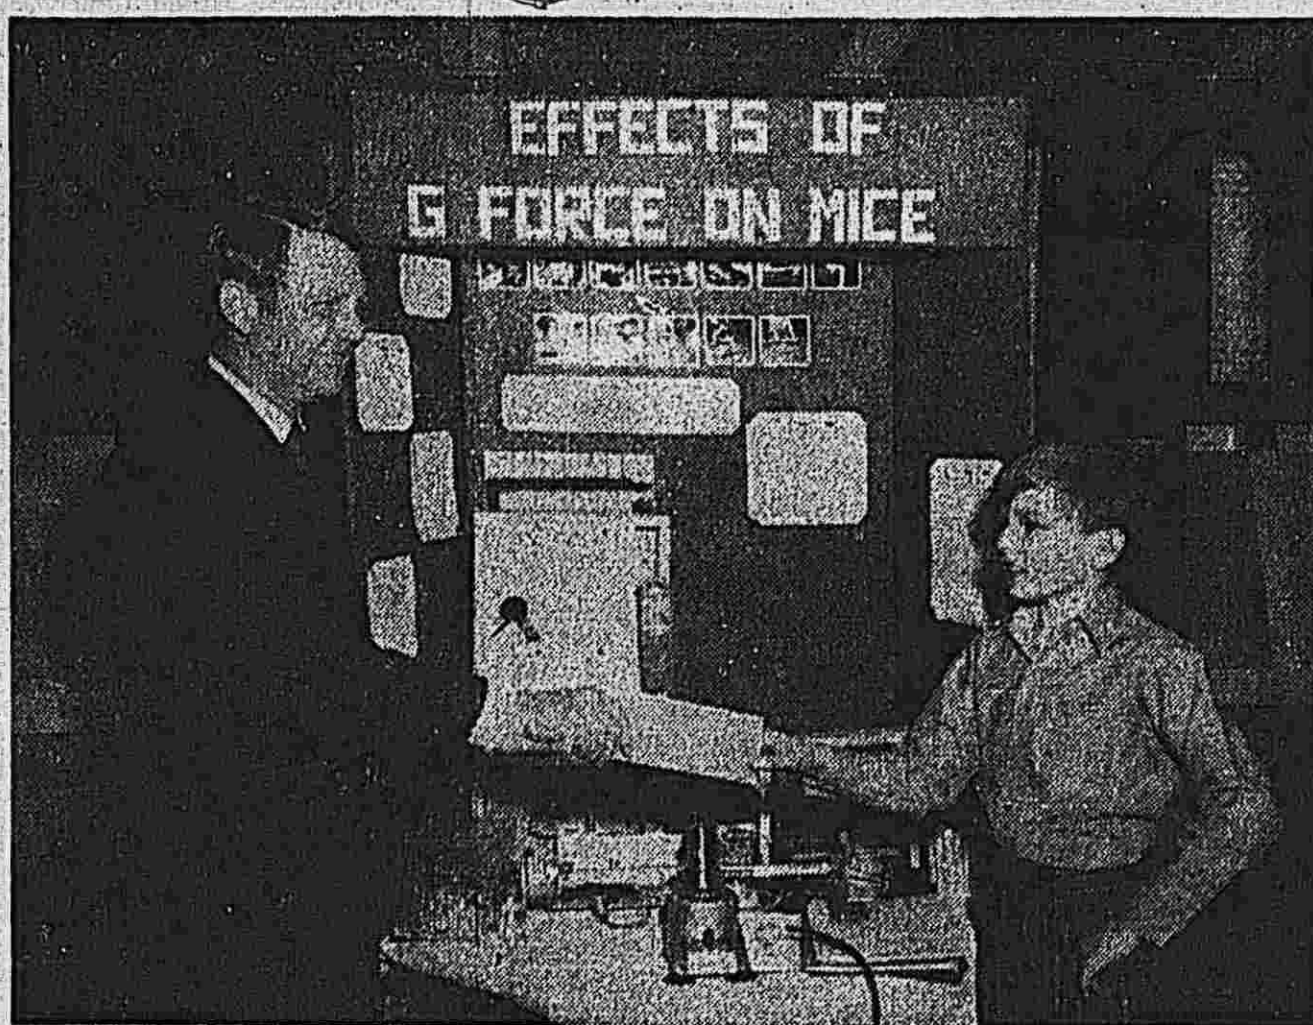

The announcement was made Wednesday by the National Merit Scholarship Corporation.

The award is underwritten by the Standard Oil (Indiana) Foundation Merit Scholarship.

Miss Lemcke, a senior, has been on honor rolls throughout the four years at Antioch High School. She plans to enroll at the University of Montana this fall to major in conservation.

She is a member of the Yearbook editorial board; short story editor, literary magazine, environmental organization chairman, the Science Club, and the Bowling team.

Miss Lemcke was one of 1,300 high school seniors to receive scholarships.

John B. Fields, vice president of the State Bank of Antioch, left, presents a \$20 U. S. Savings Bond to Rockney Hudson, son of Mr. and Mrs. Charles Clunie of Lake Villa, for his excellence in the science field. Rockney, a seventh grade student at Lake Villa Intermediate School, received an Outstanding Rating for his project, "The Effects of G Force on Mice", when it was entered in the Science Fair. An outstanding rating was also awarded at the Regional Science Fair at Wheeling. It entitles Rockney to go into competition at the State Science Fair at Champaign, May 7 and 8.

Students To Present 'Wizard of Oz' Friday

"The Wizard of Oz" is coming to Antioch!

On Friday and Saturday nights, April 16 and 17, the story of "The Wizard of Oz" will be presented to the Antioch Community High School stage.

There we will follow Dorothy, the girl from Kansas, through her search for her home after landing in a place filled with munchkins, witches, and wizards.

Directing this musical is Ken Smouse, drama and English teacher at Antioch.

Helping him, by taking on the large responsibility of stage manager is Kim Shkopich. Suzi Burns, a graduate of Grant High School, is taking charge of choreography, which includes a large production number in each act.

The colorful costumes are being made by Connie Wiczorek. Working on the sets are Kathy Scott, who is also assistant stage manager, Kim Shkopich, Elda Minger, Jeanne Oelerich, and others. There are two separate casts, each playing a different night.

Friday night Eydie Naver will play Dorothy, David Oelerich will be the scarecrow, Steve Patwell will be the tinman, Terry Curtis will be the lion, and Joanne Apostol will be the wicked witch.

Other Friday night performers are Terri Lisk and Pam Johnson.

On Saturday night, Mary Wiczorek will play Dorothy, Bryan Sorensen will be the scarecrow, Dean Homan will be the tinman.

Janet Polsgrove

Phil Martinez will be the lion and Janet Polsgrove will be the wicked witch. Other performers are Tracy Hudson and Ruth Brooke.

Some of the featured players performing on both nights are Nora Pleviak, Jim Scribner, Mike Ament, Tom Craner, and Sarah Halverson.

There will be special performances for many of the area grade school students on Thursday and Friday afternoons.

The music for the show is provided by Tracy Sharp, rehearsal pianist, and the stage band. Tickets are available from cast members or at the door. Curtain time is 8 p.m.

Village Share Of Income Tax Is \$1,919

Antioch was awarded \$1,919.40 as its share of state income tax collections for February.

It brings to \$11,856.23 the amount paid the village in the present fiscal year.

Lake Villa has received \$656.05 bringing its fiscal year income tax receipts to \$4,318.85.

Municipalities received \$5,612. (Continued on page three)

Mrs. Kopriva Wins Seat On College Board

An Antioch News endorsed candidate—Mrs. Helen Kopriva—was elected to the College of Lake County Board of Trustees at Saturday's election.

Final ballot figures from 32 precincts established for the election gave Mrs. Kopriva, wife of a physician and surgeon, 3,284 tallies.

She finished third in a field of seven competing for three vacancies, one of them from the unincorporated areas.

Mrs. Kopriva was given 583 votes by Antioch voters. She collected 566 in Round Lake, 292 in the Grant High School District, 243 in the Warren High School District (Woodland), 181 at Zion-Benton High School, and 167 in Lake Villa.

Mrs. Kopriva took office Tuesday night along with Robert Wright of rural Libertyville, a Lake County resident since 1921, who led the field in the voting.

Also elected to the board was Theodore Paxton, an incumbent from Zion, who finished second with 3,509, one less than Wright. Charles Neal of North Chicago, an incumbent, seeking re-election, was beaten, and finished fifth behind John Cappitelli of Lake Villa, a CLC student.

College officials said the heaviest voting occurred in the Libertyville, Antioch, Zion and Round Lake areas.

Other unsuccessful candidates were William Smart and John Jakaitis of Waukegan. A disappointing turnout of 200 showed up to vote in Waukegan.

Mrs. Kopriva, who spent nine years on the grade and high school boards in Antioch, is a past president of the Lake County Medical Society Woman's Auxiliary.

In May, she will become chairman of the Illinois State Medical Society's Auxiliary legislation committee.

The other woman member is Mrs. Thelma Sandee of Waukegan.

Legion Asks Pardon For Lt. Calley

The Antioch American Legion Post has asked President Nixon to pardon Lt. William Calley who was convicted more than two weeks ago for his participation in the My Lai massacre.

The post has sent a check to Lt. Calley to be used in his legal expense during his appeal through military courts.

The Legion wrote: "The Antioch Legion Post 748, Department of Illinois, that approved of the Administration's Viet Nam Policy in a letter stating so, feels now is the time to express their feelings as to the unjust conviction of Lt. William Calley.

"At a regular meeting of the Antioch Legion Post No. 748 on April 1, a member in good standing, also a Combat Veteran and Past Commander of the American Legion, offered a motion and was duly seconded by a member in good standing, a Combat Veteran and Past Commander of the American Legion, that you as our President of the People, by the People, should grant Lt. William Calley an absolute pardon and restore him to his rank in the Armed Forces."

Incumbents Defeated Saturday

Milo B. Bailey, president of the Antioch Grade School Board, was a casualty in the election held Saturday.

Richard C. Harland, an incumbent, led the field of seven candidates with 431 votes. He was joined on the board by LaVerne M. Woods who polled 363 votes and Charles Ray Atwood who collected 304 marks.

Bailey ran fourth in the field, garnering 257 votes. Other unsuccessful candidates were Jay W. Richardson, 255; John A. Fries, 245, and Leslie Faber, 71.

Dr. Fred Bobzien, the other incumbent, did not seek re-election.

At Grass Lake, the incumbent board president, Gary Vaughn, lost his try for re-election, but two other incumbents won additional terms on the District 36 board.

They were Lawrence Yopp with 113 votes and Lorraine Cerk with 91 votes.

Michael Wojnowiak was the third winner, with 100 votes. Doris Samson and Elizabeth Shkopich got 82 and 33 votes respectively in losing efforts.

Vaughn got 82 votes.

In the Antioch High School District race, incumbents were returned to office for additional terms.

They are Dr. Albert Bucar, 646; Bette Meyer, 620; and Robert Lindblad, 610.

Challengers Fred Walpole had 525 and Larry Fears, 454.

In the Emmons School District, incumbents Donald Scheedol, Richard Ruck and Daniel Maras all won unopposed 3-year terms.

Honor Roll For Emmons Announced

Emmons School has announced its honor roll for the last grading period.

Fifth graders are William Dubek, Debra Layton and Tracey Sodman.

Sixth grade — John Kakacek, Julia Kramer, and Jerry Schmidt.

Seventh grade — Dawn Chinn, John Christiansen, Terry Corey, Pam Donovan, Robert Dubek, Kim Fischer, Kathy Haase, and David Lagerstrom.

Eighth grade — Robert Dodd, David Edwards, James January, Jeff Schmidt, and Dennis Thain.

ESP Expert To Speak At Antioch Women's GOP Lunch

Irene Hughes, the extrasensory perception (ESP) expert will be the featured attraction at the Antioch Township Republican Club Women's Auxiliary Spring Luncheon Wednesday April 28th, at the Smart Country House, Antioch.

Known the world over for her prowess in this field, Miss Hughes will speak to the women after an 11:30 a.m. meal.

Among other things, she accurately predicted that Jacqueline Kennedy would marry again, five years after her husband's assassination; to an older man, a fairer image and a foreigner.

Because of her popularity, and to insure that her remarks will be heard clearly, only a limited number of reservations will be accepted. Mrs. Harry H. Stern at 395-2713 is handling this phase of the event.

All of the net proceeds from

Irene Hughes

this event will be used by the Women's auxiliary to fund their 6th annual picnic outing for wounded veterans of the Vietnam War.

L. M. Woods, president of the First National Bank of Antioch, second from right, was elected president of Group III of the Illinois Banker Association at the spring meeting held at Pheasant Run Lodge, St. Charles. Others from left are Gene Ernsting, treasurer; John Beaulieu, retiring president, and Lawrence Hennings, vice president.

Be Sure And Vote

Antioch voters will return to the polls Tuesday for the third time in two weeks.

They already could be weary from going behind the white curtain, having voted in the school board and township elections last week.

However, it is important they visit the polls to pick their trustees, three of them for four year terms and one of them for a two-year unexpired term.

The trustees are charged with the responsibility of enacting laws in addition to performing so vital to the welfare of the community.

It may appear to be a non-important post, but attend any one of the village meetings and you can see a large volume of business transacted by the six trustees.

It is important to select men and women who are qualified to fill these seats. Their functions are important and their decisions can affect Antioch for the years ahead.

In this year's Village election, there are twelve candidates, four each on party slates, and four running as independents. The Antioch News is not making endorsements in the contest, leaving the judgment to the voter on his choice.

We urge you to come out and vote Tuesday. It is your heritage as an American citizen.

Voting will be from 6 a.m. to 6 p.m. at the Village Hall at 874 Main Street.

Education Fund...

(Continued from page one)

since any adjustment has been requested in the Education Fund rate. Recent information provided by the County Superintendent's Office indicates that as of June 30, 1970, there was only one other District in Lake County with a lower Education Fund Tax rate. Since the last Education Fund Tax rate increase, student enrollment has doubled from approximately 658 to 1330. The teaching staff has also doubled in that same period from 34 to 69. Building size, and subsequently employment of related personnel, has more than doubled. The Board is hopeful this reflects to the community the prudent fiscal policies which have been in effect. These policies have enabled our school to consume this tremendous growth, and yet maintain a constant Education Fund Tax rate.

Perhaps as significant as any other factor is an examination of the school's fiscal position when a rate increase became necessary some twelve years ago. The Board at that time was not asking for money to build a large cash reserve or to vastly expand the educational program. The increase at that time was necessary for the same reasons as today. The growth of the pupil population was increasing, and regardless of budget pruning or reduced educational programs, taxes receivable could no longer reasonably be expected to balance the ratio of expenditures and revenue.

Forty cents per \$100.00 assessed valuation.

How much will it cost you?

If your assessed valuation is	Cost at current rate of .92	Cost of proposed rate of 1.32, 40% increase	Your tax increase will be
\$ 1,000.00	\$.920	\$ 13.20	\$ 4.00

THE IDES OF APRIL

Of course you've mailed your Income tax statement, and oh yes, you signed it, didn't you?

CONGRATULATIONS

Antioch can be proud of itself in the fine showing on casting ballots in the elections last week. It will be good to see Red Murrie and Blaine Ring back at their posts and what a great asset for Helen Kopriwa from Antioch to be on the College of Lake County Board. We are also happy for all the candidates for the school boards who were interested enough in our system of government to run.

VISITING FROM FLORIDA

Hear tell Gert Good has come up north to visit friends in the Antioch area.

ON THE GETTING WELL LIST

Good to see Kay Schaefer at the Antioch Bowl Tuesday night. She wasn't able to bowl yet but her team needed her to spur them on.

Harry Brehen is up and around and will be missed at the Post Office. He said that Project Viet Nam will continue under the able support of other members of the post office staff.

Gail Tutein is also on the getting better list after a short stay in the hospital.

Mrs. Helen Price is in Intensive Care at Victory Memorial Hospi-

Airman Thomas L. Buchanan, son of Mrs. Mable A. Carney, Rte. 2, Antioch has completed basic training at Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill., for training in aircraft maintenance. Airman Buchanan is a 1970 graduate of Antioch Comm. High School.

People's Party ticket.

The platform of the People's Party is:

—Orderly development of the village.

—Upgrading of the police department.

—Expansion of the sewer, water, and sanitary district facilities.

—Acquisition of additional off-street parking sites.

Independent candidates are William Seemann, an Antioch High School teacher; Arnold W. Weber, an employee of American Motors, Kenosha; Mrs. Margaret Nelson, a beautician, and Sam A. Lombardo.

State Bank of Antioch

State Bank of Antioch

FDIC

"Serving the Lakes Region Since 1894"

A FULL SERVICE BANK

Village Share...

(Continued from page one)

154.14 of this amount, Gov. Richard Ogilvie explained, and counties \$1,077,152.85. The money is paid to cities and villages on the basis of their population and to counties on the basis of the population of unincorporated areas within their borders.

The governor noted that this distribution was the first to be based on 1970 Federal census data as certified by the Illinois secretary of state to the state Department of Local Government Affairs, which administers the income tax sharing program.

"This month's distribution brings to more than \$110 million the amount the state has distributed to local governments since the program began in 1969," the governor said. "We are proud in Illinois to have set a pattern for a program which we fervently hope will be extended to the federal level with benefits for the entire nation."

New Requirements For Riding Cycle

The weather should become acceptable fairly soon, and maybe you are considering doing some motorcycle or motorbike riding during the pleasant months.

If you are, and your driver's license was issued after January 1, 1969, your license must carry a motorcycle and/or motor-driven cycle classification, or your operation of that kind of vehicle will be illegal. You must qualify for a motorcycle and/or motor-driven cycle classification by examination, and you must have it whether you own, borrow or rent one of those vehicles.

Those requirements of state law were pointed out today by Secretary of State John W. Lewis.

Secretary Lewis gave this as an example:

A driver currently holds a Class B license. This is the classification which entitles him to drive motor vehicles through 16,000 pounds gross weight except motorcycles or motor-driven cycles. He plans to rent or buy a motor-driven cycle for use during the good weather. A motor-driven cycle is one with less than 150 c.c. piston displacement.

Here is what he must do to operate that vehicle legally: Apply for a reclassification of his driver's license, pay a fee of \$3, take a written examination and take a driving test on that kind of vehicle. Upon successful completion of the two parts of the examination, his license will be corrected to show BL classifications.

If he wishes to drive one of the big motorcycles, the kind with 150 c.c. piston displacement or more, he must follow the same procedure, but the driving test must be on the big bike. The new classifications on the license will be BM, and he will be qualified to operate both motorcycles and motor-driven cycles.

In either case, he cannot drive the cycle to the Drivers License Examining Station himself. Someone holding the required classification must do the driving or the bike must be transported in some other vehicle.

There are age restrictions, too. Applicants for the motor driven cycle classification must be at least 16 years of age, and applicants for the motorcycle classification must be at least 18 years of age.

That's what the law requires, and Secretary Lewis urged anyone planning on driving either motorcycles or motor-driven cycles to be in compliance with it before revving up.

Great Lakes FAA Office Is Created

A new Federal Aviation Administration region serving the Great Lakes states went into operation on April 2, with headquarters in Chicago. Lyle K. Brown, Director of the new Great Lakes Region, announced today. The new region was created in accordance with President Nixon's plan to align the boundaries and headquarters for all Federal agencies and departments. They increase to nine the number of FAA regions serving the continental 48 states.

FAA Administrator, John H. Shaffer, said the new regional structure "will provide the agency with a more effective and responsive field organization."

It's easy to place a classification—Just dial 395-4111.

Witt Wins Trip To Portugal, Spain

Dick Witt, agent for State Farm Insurance Co., with offices at 408 Lake St., has won a week's trip to Spain and Portugal in recognition of his production in life and fire insurance volume last year.

Witt will be accompanied by his wife, Judy, when he makes the overseas visit.

He was announced as one of the winners this week by the company.

Witt has been a State Farm agent for three years.

You're not too old if you can remember when the coffee break was lunch.

Pets Required To Have Tags

Owners of dogs in the unincorporated area of Antioch Township are required to obtain tags for their pets. The tags, which are attached to the collar are available at the Antioch Township Offices, 880 1/2 Main St.

THE PUBLIC WORKS DEPARTMENT OF THE VILLAGE OF ANTIOCH WILL BE FLUSHING FIRE HYDRANTS DURING THE NEXT COUPLE OF WEEKS STARTING AT THE SOUTH END OF THE VILLAGE AND WORKING NORTH WHICH MAY CAUSE A TEMPORARY DISCOLORATION OF THE WATER.

Scout Troop Scores High In First Aid

On Saturday, March 20, Boy Scout Troop 92, along with other troops in the Northeast District Council, attended a First Aid meet at the Libertyville Grade School.

The Scouts were given problems of different types of accidents with patients to solve for points and a score. They were judged on speed, the order in which they worked, and the neatness of their work.

Troop 92 wound up with a Blue Ribbon and a score of 94.5 out of a possible 100 points on four problems.

The Scouts, along with Scoutmaster Norm Edwards and Bill Hayden, who attended were Terry O'Brien, Glen Thibodeau, Dave Edwards, Graham Bury, Harry Hill, Jim Christensen, and Pete Laursen.

On April 2, Troop 92, along with

Troop 91 and Troop 80, attended a Green Bar Camp Out in Junior Leader Training for the whole weekend.

The Scouts were given instructions in helping the Scoutmaster to form patrols, promote troop interest, and in leading the troop in ceremonies and games. Patrols were formed of Scouts not in the same troop and they had to compose a patrol name, song, yell, and make a flag. They also had to form cooking and clean-up details.

The Scouts from Troop 92 who earned their JLT stripe and certificate were Larry Kitterman, Ralph Sander, Dave Edwards, Mike Ware, John Rosquist, Terry O'Brien, Sesa Guerra, and Pete Laursen. The Scoutmasters of the troop are Norm Edwards, Leo Ipsen and Richard Harland.

THIS MONDAY, APRIL 19th

SPONSORED BY ANTIOCH CHAMBER OF COMMERCE

Children Will Be Driven Home From School

Two children living at Central Baptist Children's Home have been struck by automobiles along Highway 83 during the last year as they walked to and from school.

The staff of the Home has decided to transport the children by automobile to and from school rather than have them walk along busy Rte. 83.

Dr. Donald Donica, executive director, said this decision grew out of the deep concern the staff has for the safety of the children.

"While this action will certainly help," he added, "it will be impossible to keep children away from the highway at all times. Therefore, we are urging residents to be especially cautious when passing the Children's Home. The highway signs are not presently adequate to warn motorists, but we're attempting to do something about that also."

AARP Will Honor Its President

A reception will be held at 1 p.m. Tuesday, April 20, for Fred Fassen, national president of the American Association of Retired Persons at the Fox Lake American Legion Post on Rte. 12, northwest of Fox Lake.

The program will be opened by Harold W. Lindberg, president of the Antioch Area Chapter, No. 387, Antioch, followed by the pledge of allegiance to the flag.

The Rev. Phillip O. Lauren, pastor of St. Stephen Lutheran Church, Antioch, will give the invocation. Lindberg and Edward Placek of Fox Lake will give the welcome addresses.

Harold Frame, Area V associate vice president, Racine, will introduce the guests including George Drysdale, Waukegan, Illinois state director.

Music will be provided by the Grant High School Band and Chorus and the Senior Citizens Kitchen Band, Zion.

John L. Horan, past president of the Antioch Area Chapter, will give a final summation. The benediction will be by Father Thomas R. Franzman of St. Bede's Catholic Church, Fox Lake.

Cotillion Stated...

(Continued from page one)
by a dinner, followed by dancing to the music of Jerry Blake and his orchestra in the luxurious Regency room.

One of the guests will be Judge Otto Kerner, former Illinois governor, who in previous years has given his support to the Antioch Mental Health Association.

Tickets are available from Mrs. Ted Costoff, 395-5669 or Mrs. Max Jester 395-1404 or at one of the three financial institutions—State Bank of Antioch, First National Bank of Antioch, and Antioch Savings and Loan Association.

Funds raised will be spent to further mental health in the Antioch area.

CHRISTIAN SCIENCE CHURCHES

The universal nature of the healing and saving power of the Christ will be brought out Sunday at Christian Science church services in a Lesson-Sermon entitled "Doctrine of Atonement."

"It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good," a citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states.

These words of the Apostle Peter are included in the Bible readings: "Of a truth I perceive that God is no respecter of persons: But in every nation he that feareth him, and worketh righteousness, is accepted with him." Services begin at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Illinois, begin at 11 a.m., and are open to all.

Members and friends of Faith Evangelical Lutheran Church of Antioch, Illinois filled the church each time at the three Easter services Sunday. They heard the message of the risen Lord as proclaimed by the Rev. David M. Ponath, the pastor. They saw the beautiful floral display of over 100 lilies and bouquets of white mums and glads, arranged under the direction of John Lange. Many of these people enjoyed an Easter breakfast served by the Fellowship Club of Faith.

Antioch TOPS Seats Its New Officers

TOPS members gathered at the Community Room of the Antioch Savings and Loan on April 1 to honor the 1970 Chapter queen and install officers.

The regular meeting was conducted by leader Mary Ann Hanks of Fox Lake, and an impressive candle lighting ceremony followed.

Leader Mary Ann Hanks began

the ceremony with her retirement speech and then lit the candle of continuity.

Each officer in turn lit a candle from that candle, pledging loyalty to the club.

The members then rose and pledged their loyalty to the new officers.

Officers installed were: Leader, Eva Spicer, Fox Lake; Co-leader, Peggy Svendsen, Antioch; Treasurer, Mary Ann Hanks, Fox Lake; Secretary, Carol Cable, Gurnee; Weight Recorder, Florence Krock, Antioch.

Mary Ann Hanks presented charms and pens to outgoing officers as well as charms for for weight loss and attendance.

Helen Brandt, Paddock Lake, Wis., 1969 Chapter Queen, did the honors in crowning and robing the 1970 Chapter Queen, Eva Spicer of Fox Lake. She received a tiara, a queen's charm, some flowers and a round of applause from the members.

Lois Svendsen was also honored as runner-up to the 1970 queen.

The evening closed with coffee and good fellowship.

Gem Society To Meet Tuesday In Waukegan

The Lake County Gem and Mineral Society will meet at 7:30 p.m. in the Waukegan Public Library Auditorium Tuesday, April 20 to learn about "Custom Design Hand Made Jewelry."

Leslie L. Somos of Chicago is presenting this program. The public is invited to attend all meetings of the society which is preparing for its annual show to be held May 13-16 at the Lake County Fairgrounds.

Fun Fair Sunday At Grass Lake

The Grass Lake School PTA will hold its fun fair for four hours, starting at 1 p.m. Sunday, April 18, in the school gymnasium.

Earl Beese will be in charge of the "White Elephant" auction. In charge of the feeding of the "hungry animals" in the "Hippo Room" cafeteria are seventh grade room mothers, Mrs. Sandy Johnson and Mrs. Lois Fucella.

Mrs. Bea Seymour is general chairman.

In charge of the baking and sewing is Mrs. Lou Belz.

Contest winners of the Grass Lake School students' Animal Fair-Fun Fair were Michael Ditzig, Janet Layton, Gloria Goetz, Sue Lass, Kathy Anderson, Robert Torkelson, Mary Fanelle, Janet Ditzig, James Mayer and Nancy Mattson.

Each received free game tickets for the PTA fair.

Coin Club Will Meet Monday

The third Monday of each month at 7:30 p.m. at the Antioch Savings and Loan Association community room is meeting time for the Antioch Coin Club.

Next meeting is Monday, April 19 the program will feature Roy E. Miller. His talk will be on his recent trip to Israel, conducted by Mrs. Eva Adams, a former director of the mint.

Miller will also show colored slides of this trip.

The club also has an auction at each meeting.

Refreshments are served and guests are always welcome.

Seminary Will Present Fable, 'Celebration'

The St. Mary of the Lake Seminary Theatre will present a musical fable called "Celebration" that will be given four times beginning April 23 in the St. Mary of the Lake Seminary auditorium in Mundelein.

The curtain will rise at 8 p.m. April 23 and 24 and two performances on Sunday April 25 at 2:30 and 7:30 p.m.

Money raised will go to the Seminary's People of God Foundation.

Student Works During Her Spring Vacation

Carole Hanson, 2102 Old Elm Road, Lindenhurst, is among 49 Aurora (Ill.) College students working spring vacation week, April 12-16, at the Live Oak, Florida, Advent Christian Home. This is the fifth annual work trip by student volunteers.

Carole, a freshman, is the daughter of Mr. and Mrs. George Hanson. The Advent Christian denomination opened the home in 1913 for retired ministers and dependent children and founded the Midwest liberal arts college in 1893.

The 3,000 mile round trip bus journey from Aurora to Live Oak is sponsored by the religious activities committee of the college students' association. Staff advisor will be Kevin G. O'Connor, coordinator of campus ministries.

Student Wins In Forensics Competition

The College of Lake County Forensics team received its first tangible reward in forensics, according to Dan Johnson CLC coach, at the recent Land of Lincoln Speech Tournament held in Rockford on the Rock Valley College campus.

Carl Lichtenburg, Zion, was awarded a third place individual trophy for his ten minute informative speech on the culture of the lost continent of Mu.

"There were ten excellent participants in the informative speaking competition. Mr. Lichtenburg's accomplishment deserves recognition and congratulations," stated Johnson.

Johnson indicated that the next forensics competition for the College of Lake County team will be at Kishwaukee College, Malta, Illinois on April 23 and 24.

Carmel Dinner Dance Planned

The Fathers' Club of Carmel High School, Mundelein, will hold its annual spring dinner dance Saturday April 17 from 7 until 1 a.m. in the Carmel High School cafeteria and lounge.

American Legion Auxiliary News

By DEL JAHNEKE

One of the loveliest affairs of the 10th District American Legion Auxiliary year will occur on April 29th, when the District Past Presidents' Parley Dinner will be held at the Rustic Manor in Gurnee, at 6:45 p.m. Mrs. Barbara Klemm, Gurnee, is general chairman. She states that all 22 junior past presidents. These reservations should then reach Mrs. Klemm by April 22, deadline date.

Mrs. Ray Rathmann is the Antioch Unit junior past president and will take the reservations of all past presidents wishing to attend this dinner.

Mrs. Fred Schultz, North Chicago, has charge of decorations; with Mrs. Herbert Gleason, Libertyville, and Mrs. Klemm making up the booklets, and Mrs. Louis Walston, Lake Zurich, taking care of the name tags. All the junior past presidents will furnish the door prizes.

The past presidents, parley program has three purposes. It provides 12 to 15 \$500.00 nursing scholarships to eligible high school graduates (depending on the funds available). Last year, 15 young people received these nursing scholarships from throughout the state.

More than 300 hospitalized and handicapped ex-service women will be given gifts both practical and desirable. Some parley groups remember the ex-service women who reside in domiciliarys and nursing homes, under the field services program of rehabilitation. In addition, the 10th District Auxiliary sponsors an annual picnic for those women patients at Downey Hospital every August.

The third phase of the past presidents' parley program is the maintenance of the Veterans' Craft Exchange in Chicago, the only one in the nation, where disabled veterans are allowed to exhibit and sell their handcrafted articles that they or their families have made. This is accomplished with the profit going only to the veteran.

The Illinois American Legion Auxiliary gives \$1,500.00 yearly for the Veterans' Craft Exchanges' Maintenance.

At the brief business meeting held after the dinner, a discussion will take place regarding the gifts for the women patients at Downey, and the picnic in August.

Mrs. Ray Rathmann, Antioch,

District Junior Activities Chairman, reminds all unit junior advisors and junior members that they should bring all entries for the various contests to the April 23rd meeting of the 10th District Juniors, at the Libertyville American Legion Home, at 7:50 p.m.

There will be a preliminary district judging of entries and prizes awarded. These entries will also be entered in the Department (State) Junior Conference, to be held May 8th, at the auditorium of the Churchill Junior High School at Galesburg.

Mrs. Bernard De Vries is the Antioch unit junior activities chairman.

Ellen Flint New Head Of Auxiliary

Ellen Flint has been elected president of Sequoit Auxiliary of the Veterans of Foreign Wars.

Other officers are Myra Randall, senior vice president; Laura Swanson, junior vice president; Barbara Mitchell, secretary; Lillian Burnette, treasurer; Shirley White, chaplain; Ida Wysoglod, conductress; Florence Morin, guard, and Kate Verkest, three year trustee.

Other business was a donation to Downey Hospital for canteen books and to the cancer drive to both local and department cancer funds.

Refreshments were served by Lillian Burnette.

Deadline Near For NIU Summer Class Sessions

Deadlines for the 1971 Summer Session at Northern Illinois University are approaching.

May 1 is the last day for new graduate students to apply for admission to the graduate school.

May 15 is the last day for new undergraduates to apply for admission.

General registration for all students who have not attended Northern this spring, whether graduate or undergraduate, will be Saturday, June 12 and Monday, June 14. Registration hours are from 9 a.m. to 4 p.m. June 12 and from 9 a.m. to noon June 14.

Classes in the NIU Summer Session in DeKalb begin June 14.

Auction

On Sunday, May 2, at 12:30 p.m. the Music Center of Lake County will hold its second annual "Spring Auction" at the JM Club, 703 Greenwood Ave., Waukegan.

This auction is one of many events held throughout the year to raise the funds needed for the school to continue to operate. For more information about the school or the auction, contact Mr. David Goodman, Director, Music Center of Lake County, at 244-4270, or Dr. Jules Altengren, Auction chairman, at MA 3-5506.

The broiler that cleans up after itself is electric.

Steak splatterings, burnt grease—anything that gunks up a broiler—disappear when you turn an electric self-cleaning oven to "clean." With the other kind, you may have to clean the broiler by hand. Ugh. Another thing. An electric self-cleaning oven does the job without heating up your kitchen, because it's insulated on all six sides. And you don't need venting because there's no flame. Simple decision, right?

Commonwealth Edison
concern for your total environment

Grange Sponsors Sewing Contest

Mrs. Daniel Maras, former national cotton sewing winner, announces the 1971 National Grange Sewing Contest.

The contest is not restricted this year to cotton fabrics. Entry blanks are available at Erickson Sewing Center.

Mrs. Maras will sponsor anyone interested in entering the contest. The contest is sponsored by Ridgefield Grange of McHenry County.

Garments will be judged as follows:
General appearance — from fashion point of view, choice of accessories to be considered when garments are modeled and/or photographed.

Selection — suitability of pattern; suitability of fabrics, etc.
Styling — suitability of trims and findings, color choice and coordination, etc.

Basic construction — accuracy of

cutting, sewing and finishing. Workmanship throughout. Construction pressing.

Judging at the local Grange level will be May 1 to May 12; Pomona Grange, May 12 to 19; and State Grange — in time for garments to arrive in New York for national judging by date specified by the national director.

Taxes have always been a prime subject for disagreement. This little jingle puts it very well:

"In seventeen hundred and seventy-six
A group of American mavericks
Renounced the yoke of tyranny,
The tax on stamps, the tax on tea.
Our Fathers felt that we were fit
To tax ourselves and you'll admit,
We have been very good at it."
—Randolph, Iowa, Enterprise

Abbott Lab Seeks Solution To Blood Infection Problem

Abbott Laboratories continues to work with the Food and Drug Administration and the Center for Disease Control to eliminate the problem of septicemia (blood infection) that recently arose in some hospitals using the company's intravenous solutions.

Chairman George R. Cain stated today in a letter mailed to shareholders.

The matter has proved very difficult to solve, despite the joint efforts of the FDA, CDC and Ab-

bot, Cain said.
"At this point, although we cannot predict the time required to solve this entire problem, we can tell you we are applying Abbott's full resources to this end," Cain explained, adding that "once this is accomplished, Abbott intends to re-establish itself as a leader in

the distribution and marketing of highest quality intravenous solutions and to resume its overall corporate growth objectives."

Because of the many uncertainties associated with this matter, the executive said Abbott management "at this time cannot estimate the effect which it, and the costs and loss of sales it entails, may have on Abbott's first quarter, full year or future sales and earnings."

"For 1971, we do estimate it will have a substantial adverse effect on sales of intravenous solutions and related products," Cain said. "We also expect significant additional costs in withdrawing these products from the market, in resolving other directly related matters, and in defending litigation that may arise."

All Abbott intravenous solutions are being recalled as needs are met by other suppliers, Cain said, adding that the company announced earlier it was cooperating with an FDA recommendation of March 22 that Abbott recall intravenous solutions produced at Abbott's two intravenous solutions plants in the U. S.

Prior to that Abbott had ceased deliveries of the solutions to hospitals and health care facilities except in emergencies where there is a critical need and only

person will be there to help you.

Wait for the police. Tell strangers, through the closed window, that your husband has gone for help, or police are on the way.

Should a car block your path, sound your horn repeatedly for help. But stay in the locked car.

If you have reason to believe you are being followed, drive to the nearest police, fire or well-lit gas station. Don't go home, even if it's close by.

Forget about being late to a party, about being too cautious. Think of yourself first. Apologize later.

U.S. Residents Own Most Telephones

Residents of the United States continue to own more of the world's telephones and to make more calls than anyone else, according to the American Telephone and Telegraph Company.

AT&T also says that:
—There are more phones than people in Washington, D. C.

Telephone growth in Hong Kong, Greece and Brazil is more than double the worldwide growth percentage.

You can now place calls to Easter Island, the South Orkney Islands and Svalbard.

These are just a few facts and figures contained in the latest edition of "The World's Telephones," published annually by the Long Lines Department of AT&T.

Long lines is the long distance and overseas unit of the Bell System.

The 24-page booklet notes that the number of phones in the world increased by about 90 percent in the past decade to more than 255 million.

The United States has 115.2 million of them or about 45% of the world total. In 1960, there were 70.8 million telephones in this country.

Japan, with 23,131,688 telephones, and the United Kingdom, with 13,947,000, rank second and third as countries with the most phones.

The United States ranks first in the number of annual conversations per person with 745, followed by Canada, 710, Sweden, 650, and Iceland, 646.

Because it takes a full year to gather the data, the figures in "The World's Telephones" reflect developments to January 1, 1970.

An increase of 17.3 million telephones worldwide in 1969 represented a 7.3 percent growth rate, the highest rate in 13 years.

Much of the increase can be attributed to four areas where the growth rate was more than double the worldwide average: Hong Kong, Greece, Korea and Brazil.

AT&T says there are 859,326 phones in Washington, D. C., and an estimated 859,000 residents, or 100.2 phones for every 100 people.

Three out-of-the-way islands were added to the overseas communications network during 1970. They are Easter Island, 2350 miles west of Chile and famed for its monolithic stone heads, the South Orkney Islands group, 850 miles southeast of Cape Horn near Antarctica; and Svalbard, a 24,000-square-mile Norwegian island group located in the Arctic Sea with a population of about 3,000 persons.

College To Present Shakespeare Play

Can a headstrong, wealthy and willful beauty be turned into a quiet, dutiful and domestic wife? This question, as it was answered by William Shakespeare, is being explored by thirty students of the College of Lake County as they recreate the classic farce, "The Taming of the Shrew."

Shakespeare's comedy touches many of the contemporary issues of Women's Liberation and, as enacted by the CLC cast, suggests that the "taming" may not be altogether one-sided. The story is that of Petruchio's wooing and winning of Katherine, "renowned in Padua for her scolding tongue." Petruchio's success enables a host of suitors to vie for the hand of Kate's younger sister, Bianca, "as famed for her modest beauty" as her sister for her shrewish ways.

Playing the title role, Kathy Runion of Mundelein, rough-houses through the show with her tamer, Bill Simpson of Wildwood. Bev Palmberg of Libertyville, portrays the sister Bianca and is eagerly courted by Steve Pirisky of Waukegan, Chuck Stransky of Grayslake and Waukegan, John Mills of Mundelein, and Dave Holm of Libertyville. Vaughn Filwell of Waukegan enacts the part of Baptista Minola, distracted and frustrated father to the girls.

Playing real and supposed fathers to one of the suitors are James Bowman of Round Lake and Karlheinz Zimmerman, formerly of East Berlin.

Comic emphasis in the burles-

que tradition is provided by servants and tradespeople. Romping through the show as oafs and lunkheads are Rick McCormick and Richard Dane of Mundelein, Tom Tully of Lake Villa; Joan Kaar of Libertyville, Debora Christensen, Waukegan, and Kathy Nevill, Gurnee.

Laurie Manarik of Grayslake, presents a fifth-act comic portrait of a second choice widow who comforts one of Bianca's rejected suitors.

Set design and costume construction capture the spirit of the Renaissance without being bound to precise period or country. Performances are to be given at Brainerd Auditorium in Libertyville, on April 30 and May 1 and 2. Ticket reservations may be secured by phoning BA3-8193, extension 65.

Lake Forest Church Plans Rummage Sale

The Women's Association of the First Presbyterian Church of Lake Forest will hold its 22nd annual Rummage Sale Thursday, May 6, at the church, 720 N. Sheridan Road, (corner of Deerpath), Lake Forest.

One of the largest in the country, this one-day sale will last from 7 a.m. to 8 p.m. New, as well as old, items will be offered, including furniture, appliances, clothing, jewelry, books, toys and antiques. Highlight of the sale will be a day-long auction of a new 14-foot fiberglass sail boat.

All proceeds from the sale, which is manned by an energetic crew of more than 500 women, go to the Women's Association Missions around the world and to Chicago Neighborhood Houses, as well as the church's own Day Care Center.

Teacher From Antioch Is NEA Delegate

Virginia Haass of Antioch has been elected as one of 10 Illinois delegates to the National Education Association constitutional convention opening July 1 at Colorado State University, Fort Collins, Colo., according to an announcement by Illinois Education Association President Dwight Knous.

Mrs. Haass, a teacher at the Elmwood School in Zion, has taught in the district for 18 years.

The new delegate has been active in professional education organizations having served on numerous committees and offices on the local level, and on the IEA unification committee. She has been a member of the board of directors of the Illinois Association of Classroom Teachers and president of North Lakes Division of IEA.

Other Illinois delegates are Blanche Erst of Skokie; James Irving, Thomas Reel, and Richard Waterbury of Aurora; Dorothy Morris of Decatur; Marjorie Olson of Barrington; Joanna Pittman of Champaign; and James Reisinger and Mel Swierdarke of Elgin.

Named as alternates are Joan Evans of Des Plaines, D. Wain Garrison of Clarendon Hills, George Ergang of Highland Park; Dennis Nachtnebel of Athens; Margaret LeFebvre of Mount Prospect; Richard Kuberka of Rockford; Wayne Raeske of Villa Grove; Barbara Diskowski of La Grange; Donald Haavind of Chicago; and Simeon Johnson and Teretha Johnson of Champaign.

Airman Wayne H. Wells, son of Mr. and Mrs. Howard A. Wells, Rte. 2, Antioch, has completed basic training at Lackland AFB, Tex. He has been assigned to Keesler AFB, Miss., for training in the communications field. Airman Wells, a 1969 graduate of Antioch Community High School, attended Western Illinois University at Macomb.

The Law Serves You

A Public Service of the ILLINOIS STATE BAR ASSOCIATION

It is a rare television viewer who, on occasion, hasn't tried to outguess the prosecuting attorney on one of the many "law" series so popular with the networks this past year.

Recognizing this, the Illinois State Bar Association has put together a quiz enabling you to test your skill on some criminal laws of our state. Some situations that you might expect to be illegal are perfectly legitimate; in other cases the reverse may be true.

Score ten points for each correct answer. A score of 70 or better qualifies you as an armchair Perry Mason (answers and comment are given at the end of the article).

1. Most people know that adultery is against moral law and is a ground for divorce. Is it also illegal. Yes... No...
2. The state's attorney needs evidence and asks you to call a co-worker on the telephone so that he can record the conversation on an eavesdropping device. You consent. Have you broken the law? Yes... No...
3. You operate a tv-radio repair shop at your home. You awaken one morning and find pickets outside demanding that you pay union scale. Are the pickets there illegally? Yes... No...
4. Some cash is missing from the company safe and your employer demands that you take a lie detector test. You comply, but you also wonder how you fared. Can you demand the results of the test? Yes... No...
5. An old back condition flares up and your doctor prescribes 25 pills containing a narcotic. You put some in your personal pillbox. Have you broken the law? Yes... No...
6. An acquaintance is convicted and sent to the penitentiary on a charge of attempting an abortion. Later it is discovered that the woman was not even pregnant. Was your acquaintance illegally convicted? Yes... No...
7. Your friend is a waitress in a tavern. While visiting in the tavern you buy her a soda pop. Have you broken the law? Yes... No...
8. If you make a friendly \$2 wager with your neighbor on the outcome of a basketball game, are you guilty of the crime of gambling? Yes... No...
9. Your luck runs badly and you lose a large gambling wager. You lack cash so you sign an I.O.U. Does the law compel you to pay it? Yes... No...
10. Is it unlawful for a father to give an air rifle to his ten-year-old son? Yes... No...

Answers:
Yes, if it is open and notorious. The penalty if convicted can be \$500 and a year in jail.

2. No, but it would be illegal if the state's attorney had not requested it and you (one of the parties to the conversation) had not consented.

3. No, because your business is in your residence. Otherwise, it is illegal to picket a private residence.

4. Yes, and the examiner must reply to your written request within five days of receiving it.

5. Yes. The law prohibits transferring prescribed narcotics from the original container to another.

6. No. According to the law it is not necessary that the woman be pregnant so long as the abortion was attempted.

7. Yes. The only exception to the prohibition against buying a waitress an alcoholic or non-alcoholic beverage is when the buyer is related by blood or marriage.

8. Yes. The amount of friendliness of the wager makes no difference.

9. No, and the courts will back you up if the holder of the I.O.U. persists.

10. No. The youngster would not be able to purchase it on his own.

Chicago's Roper Wins Speedway Main Event

Bob Roper of Chicago in a 1970 Camaro outgained Ron Weedon of Pleasant Valley, Iowa, driving a 1971 Mustang at the green flag and then raced home the 30 lap feature winner to kick off the 1971 racing season at the Waukegan Speedway. Roper held off a determined effort by Jim Cossman of Waukegan midway in the race to record the victory.

A total of 56 race cars, 31 late models and 25 hobby stocks, entered Saturday night's events at Waukegan and they competed for the second largest opening night's

purse ever at the track. And the large turnout of fans on this chilly night were pleased to find that adult admission prices had not been raised and that the children's rate was actually reduced!

The most serious accident of the evening came midway in the hobby stock feature when Mark Kaminsky of Highland Park tangled with another car, hitting the backstretch wall and landing upside-down on the track. Seconds later a driver who failed to see the red lights crashed into

the overturned car, knocking the driver unconscious. Kaminsky later regained consciousness and was not seriously injured.

Roper, who was the second ranking driver at Waukegan in 1969, shot into the feature lead from his outside pole starting position with Weedon in second and Al Gutche of Bristol quickly moving into third. Gutche in a newly built Mercury, grabbed second spot on the third lap with Dave Evans of Mundelein fourth followed by Cossman and Ray Young of Dolton.

Cossman slipped past Gutche in the 9th lap and quickly caught Roper, nearly pulling by on several occasions. Then in the 14th through 20th laps Cossman was delayed by lapped cars and Roper opened up a lead for the win. Cossman took second money with Gutche third just in front of Bob Anzinger of McHenry and Vern Browne of Waukegan. Young dropped back after transmission trouble early in the race and finished seventh.

A high speed crash in the third heat seriously damaged the new Chevelle of Bob May of Gurnee. While fighting for the lead, Ray Young spun off the bumper of Vern Browne with May, close behind, slipping Young's car and becoming airborne. May, who

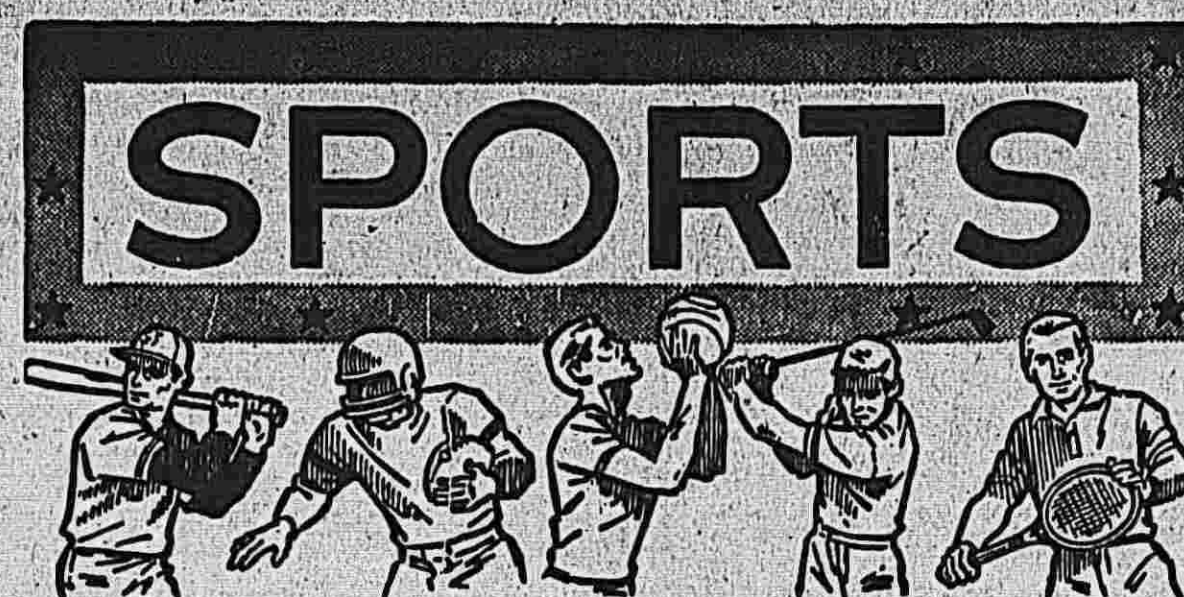

turned in the fastest qualifying lap by .01 second over Browne, was able to complete just one lap in the feature race.

Hobby action found Chuck Chadwick of Lake Zurich in the winner's circle in both the second heat race and the feature. Tom Reuss of Wildwood set the night's fast time and was right on Chadwick's rear bumper in both events. Floyd Burdick of Racine won the other heat race and Kaminsky won the consolation race before his accident in the main.

Chicago's Bob Roper made it two in a row Sunday afternoon at the Waukegan Speedway by defeat Bob May of Gurnee by the narrowest of margins. Saturday night and Sunday afternoon racing will continue at the Waukegan track next weekend with races starting at 8 p.m. and 2:30 respectively.

In the hobby feature Chuck Chadwick of Lake Zurich won again as Tom Reuss of Wildwood hit the homestretch wall as the two headed for the checkered flag. The race was stopped midway when Tom Schweiss of Fox Lake flipped his car on the backstretch. He was uninjured.

THE ANTIOCH NEWS-6

Rifles Lose Coach To New Trier High

The Lake County Rifles have lost the services of their head coach Gene "Chick" Cichowski. The Lake County menior notified General Manager Bob Amann that he had been named new head coach at New Trier East and will be unable to serve in his former capacity with the Rifles.

Cichowski was senior mentor in the Central States League having headed the Rifles for five years. During that tenure he compiled an enviable record of 47 wins, 13 losses and 2 ties. In his five years with the club he lead them to four division titles and two consecutive league championships in 1966-67. The '67 season saw him performing double duty as head coach-quarterback after

an injury to Lew Flinn, the Rifle field general that year. He was as successful on the field as he was on the sidelines, and he led his team to a league championship.

The former Indiana University captain also played professional ball with Pittsburgh, Washington and Calgary of the Canadian League. Cichowski joined the Rifles in 1966 succeeding Mike Dau the first year coach for Lake County.

Amann announced the Rifle head coaching spot is wide open and possible successors will be interviewed immediately. He added that the one individual

Lake County organization would be Cichowski.

"Chick brought with him a dedication and will to win that was reflected in his record. He is the hardest working coach I ever met and replacing him will be no small matter. The Rifles owe a great deal of their success to Chick's efforts and we wish him only the best at New Trier," Amann stated.

"Right now we would hope to get a coach from the college or pro ranks and would be happy to hear from any interested candidates. They can contact the Rifle office in Libertyville at 362-8050," said Amann.

Antioch Aquamen In State Contest

Beginning a big weekend, the five girls and twelve boys from the Waukegan YMCA swim team went to Peoria to take part in the State YMCA swim meet. Some 400 boys and girls took part in this big meet of the year to determine the best YMCA swimmers in the state.

Topping the local team's scoring for the girls was ten year old Marianne Mulaw who brought home a 6th place medal for her 50 yard backstroke (38.0). Charlene Uresy, Marty Ferry, Judy Berry, and Melissa Callahan teamed up for an 11th in the 200 yard medley relay (2:18.7).

The boys took over then to continue the good showing for the local team. The 15 - 18 year olds, led by Rick Iverson, who received three medals, scored the most. Rick and teammates, Don and Scott Bailey, and Mike Muro scored a sound third in the 200 yd. medley relay (1:54.6). The third place 200 yd. free style (1:36.8) was Rick, Brad Evans, Mike Edwards and Scott Bailey. Rick's other medal

was a 6th in the 100 yd. backstroke (1:04.9). Brad got a 5th in 50 yd. freestyle (24.7), Mike Muro received 10th in the 100 yd. butterfly (1:03.1). Mike Edwards got 9th in the butterfly (1:02.8), and 11th in 50 yd. freestyle (24.9).

The thirteen, fourteen year olds came on strong with the Berry brothers Ed and Dave, Pat Muro and Bob Dodd getting sixth in the 200 yd. medley relay (1:59.7). Pat also scored 6th on the 100 yd. butterfly (1:03.8) and 11th in 100 yd. freestyle (28.5). Ed received on 8th in 100 yd. breaststroke (1:13.6). Young Shane Bailey also contributed to the scoring with an 11th in the 50 yd. freestyle (29.5).

This is the first time that all Waukegan swimmers entered in the state meet have finished in the top twelve.

Money Is Serious Business...

Invest It Wisely-

GOLDEN KEY PASSBOOK

First National Bank
of Antioch

"GOLDEN 3" PASSBOOK

It Helps Your Money Grow
Three Ways!

Now you can choose the interest you'd like your savings to earn: 5%, 5 1/2%, Even 5 3/4%. And it's all in one book. In First National Bank of Antioch's new Golden 3 Passbook that offers savers three interest rates in one book.

90 Day Plan

5%

1 Year Plan

5 1/2%

2 Year Plan

5 3/4%

Great. Just agree to keep your money on deposit for one full calendar quarter. We'll enter your deposit in the appropriate section of the Golden 3 Passbook, and it'll begin earning interest from your day of deposit. Think it over. 5% is a handsome return. Yet, your funds are accessible. Withdrawals permitted anytime during the first ten days of any quarter after the funds have been on deposit for a full calendar quarter.

You're still in the book. Just tell us you'll keep your money in the bank for one full year from the start of the next quarter. The deposit is entered in the 5 1/2% section of the Golden 3 Passbook, and every dollar starts earning a 5 1/2% return from that day on. (A very logical way to save money for those projects you know are a year or so away. Like maybe a vacation-trip to Europe?)

You guessed it! You're in the book. Tell us you'll leave your funds on deposit for two full years from the beginning of the next quarter. We'll make an entry in the 5 3/4% part of the Golden 3 Passbook, and you'll see your money earn that great rate from the day of deposit. (What better place to put those dollars earmarked for long term projects. Such as, to suggest but one, money for the kid's college education?)

JUST OPEN ANY ONE OF THE ABOVE ACCOUNTS

You can make the first deposit to the 90 day plan (5%), or the one year plan (5 1/2%) or the two year plan (5 3/4%).

Additional deposits may be made at any time in any amount in any or all of the 3 plans. Interest is continuously compounded and paid quarterly... may be withdrawn, credited to another account or left to accumulate.

Why wait? Start saving the newest way in town. The Golden 3 Passbook way...

4-H Organizes Paper Drive In Pollution War

On Saturday, April 17, the 4-H Junior Leader Organization of Lake County is conducting a paper drive.

The purpose is two-fold, accord-ing to Bill Messerschmidt, 4-H Adviser at the Cooperative Ex-tension Service. The first reason is to raise funds to pay the cost of the 4-H JLO sponsored activi-ties during the year. Secondly, JLO hopes to promote the cause of conservation by helping to clean up the community.

The Junior Leader Organiza-tion is part of the non-profit 4-H youth organization operated by the University of Illinois. Some of the functions of the JLO are to increase 4-H Club-junior leaders' participation in county events and to teach younger 4-H mem-bers leadership responsibilities.

Three collection points will be set up for the paper drive. It

would be helpful if you could bring your newspapers to one of these locations, or call one of the three phone numbers, and the newspaper will be picked up from your home.

Residents of the Antioch, Wadsworth, and Millburn areas should bring papers to the resi-dence of Joseph Hunley, the Rio-Val Pony Farm on Rte. 45, just south of the Illinois-Wisconsin bor-der, the west side of the road; or call the Extension Office at 223-5844 or 223-4844.

Residents of the Grayslake, Round Lake, Wildwood, and Gun-nee areas bring papers to the Co-operative Extension Office, next to the Farm Bureau at the Lake County Fairgrounds, on Rt. 45, 1 block north of Rt. 120, or call the Extension office, Bill

Messerschmidt at 223-5844 or 223-4844.

And residents of the Ingleside, Volo, Fox Lake, and western edge of Round Lake areas, bring papers to the Richard Kubetz home 1710 S. Rt. 12, the west side of Rt. 12, 2 blocks south of 134, or call the Kubetz's at 815-385-4097.

Medical Aids To Meet April 21

The Lake County Medical As-sistants will meet on Wednesday, April 21 at 8 p.m. at the Clinic at Routes 45 and 120, Grayslake (former home of Dr. Qualmann). George W. Holmer, A.C.S.W., will speak on "Marriage and Other Neurotic States."

All Medical Assistants are in-vited to attend.

County Tells Plans In Pollution Fight

A Lake County committee has designed a cure for the problem of pollution caused by inadequate treatment of wastewater, and now seeks state enabling legislation to effect the plan.

Last December the County Board of Supervisors established a committee of 12 of its members and county employees profession-ally trained in the field to review the wastewater problems and rec-ommend action to solve them.

The committee has formulated permissive state legislation to allow any county government in Illinois to organize and adminis-ter a wastewater system on a subcounty basis. The geographi-cal area of each county would be divided into one or more service areas, called subregions. Resi-dents of each subregion would hold a referendum to determine whether they chose to be a part

of the county-wide system.

A County Wastewater Board would be appointed by the County Supervisors, with representa-tion from each subregion manda-tory. This board would then ac-quire existing wastewater inter-ceptor sewerage, treatment and disposal facilities, or build them. The board would maintain and operate these central facilities, while local communities, sanitary districts or private utility com-panies remained in control of and responsible for local sewers.

The plan would exclude sani-tary districts with populations of more than 100,000 which already have a size capable of efficient and economical operation. Thus the North Shore Sanitary District would not be included.

Difficulties in Lake County have arisen from the limited jurisdic-tions of the smaller municipali-ties and sanitary districts, from the inefficiency inherent in small scale operations, and often from the lack of a sufficient area to form an adequate tax base to provide increases of facilities to

keep up with growth. Other coun-ties are faced with similar prob-lems.

Highlighting the difficulties of relatively small governments in keeping wastewater facilities ade-quate for the pace of their growth in Lake County have been the re-cent restrictions on building. They were imposed by the hesi-tancy of the Illinois Pollution Control Board to allow additional hook-ups to sewers in several vil-lages, because sewerage treat-ment and facilities are already in-adequate for the volume of waste-water.

In the proposed public works program, costs incurred within a subregion would be borne by the residents of that region. Costs of such services would be shared in accordance with accepted en-gineering, economic or accounting practices.

The Wastewater Board could plan the development of the sys-tem within each subregion, al-lowing reserve capacities in the interceptor sewers and treatment works for future growth. Capaci-ties so provided would be served for specific communities and the capital costs involved borne by those communities.

Operating and maintenance costs of the county wastewater system would be paid by each subregion in proportion to the volume and strength of the waste-water treated. All financing, in-cluding the issuance of bonds, would be recommended by the Wastewater Board to the Board of Supervisors. The final action for implementation and referen-dum would rest with the residents as to issuance of bonds.

The Wastewater Board would have the authority to acquire ex-isting facilities and continue to operate them, or phase them out by replacement. The plan would not necessarily mean the im-mediate construction of large in-terceptor sewers and single con-solidated treatment plants but will accomplish this in a very short time.

Board of Supervisors Chairman August P. Cepon invited repre-sentatives of areas involved to a March 22 meeting to hear the re-port of the Wastewater Commit-tee. Representatives of four sani-tary districts, five townships and 27 municipalities and other governmental units attended. Mr. Cepon and other committee mem-bers felt the temper of the group was in support of the proposal.

With this evidence of the neces-sary local support, Robert J. Degen, Director of Lake County Public Works Department, and other committee members met March 26 with this area's state senators and representatives to ask them to sponsor the measure in Springfield.

The next need is for local resi-dents to support the plan strong-ly enough to encourage the pas-sage of the necessary act in the Illinois legislature.

Then, to implement the plan, residents of a subregion must pass a local referendum, approv-ing the proposal.

The Wastewater Committee is made up of August Cepon, Donald Strenger, Guy Lunn, Ernest Min-tern, Maurice DeWulf, Janet Mor-rison, Frank Peers, Norman Geary, Clarence Pontius, Ronald Coles, Lloyd Murrie and Earle Harrison. Also serving on the committee are R. J. Degen, Nel-son Forrest, member of the Lake County Regional Planning Com-mission; Gerald Estes, Planning Commission Director; and H. W. Byers, Chief Engineer of the North Shore Sanitary District.

Chicago's Roper...

(Continued from page six)
Vern Browne of Wauconda re-corded the afternoon's best quali-fying lap at .1441 just .01 faster than Bob May. Saturday night the times were just reversed. Browne retired, however, after a mechan-ical failure in the second heat race.

Roy Acuff of Chicago paced the first four laps of the main before Bob Anzinger of McHenry moved in front on the fifth lap. By the sixth lap Roper was second fol-lowed closely by Carl Major of Chicago, Bob May, Jim Cossman of Waukegan and Ray Young of Dolton.

Roper took top spot in the seventh lap with May moving in to second one lap later. The fans, were on the edge of their seats for the remainder of the 30 laps as May closed in on Roper in almost every turn. In the 25th lap Acuff and Ray Freeman of Crete banged together in the first turn and Roper slid into the wreck just as the red flag was displayed. Fortunately his car was not seriously damaged and he was able to restart.

In the final five laps May again closed in on Roper as the rest of the field fell way back after An-zinger's car would not respond to the restart. May's final chal-lenge fell just short on the final lap as Roper managed to lap one car.

All in all it was a profitable weekend for Roper as he also won the second heat Sunday af-ternoon along with Saturday's main event.

Two Waukegan drivers scored in the heat races this afternoon. Pete Brewer put his Ford in front half way through the first heat for his first win of the year and Jim Cossman carried his first Checkered flag of the 1971 cam-paign after a win in the third heat race.

The two visiting cars from the Davenport, Iowa, area ran into problems again Sunday, as Ron Weedon missed the entire pro-gram due to a suspension failure during time trials. Ray Guss fared a little better, finishing second in the second heat race and taking fourth in the main event.

The Sunday afternoon racing action is scheduled to continue into May at the Waukegan track. Gates will open at 1 p.m. with time trial runs at 1:30 and the first race at 2:30. In case of questionable weather the Speed-way maintains a 24 hour answer-ing service at 662-8200.

Thurs. April 15, 1971 THE ANTIOCH NEWS-7

AN ANALYTICAL HOUSEWIFE Part of the "inflation" that we complain about is due to chang-ing standards of living rather than to the declining purchasing power of the dollar. That is the conclusion of one housewife who compared her food budget in 1960 with one of a more recent date. She took a typical current shop-ping list that rang up a total of \$24 on the supermarket's cash register. On going over the list, she discovered that much of what she is now buying at the grocery store is not groceries.

There were paper towels and paper napkins itemized at \$1.66. In the old days, people took time to home launder and reuse cloth towels and napkins. Then there was 59 cents for dog food. In the old days, Rover used to eat table scraps. There was an item of \$1.79 for bug spray on the current shopping list. . . . to execute what we used to swat-and .89 cents for fabric softener where we formerly depended on a windy day. There was also \$1.59 for shampoo and hand-aids - "in 1963 some of us were sham-pooing with soap-and bandaging with strips of old cloth." An-other item, \$3.75 for light bulbs and a thermos bottle would for-merly have shown up on the "hardware" bill. This housewife discovered that of her \$24 grocery bill, groceries cost less than \$16. Summing up, she found that her food bill for 1960 was \$971.57. Household items that year came to \$347.98. This past year, she paid only \$3 more for food. For

household items she paid \$725.82! In spite of the kicking about inflation, consumers so far have shown little inclination to turn their backs on the conveniences and luxuries that have been brought to them by the world's most efficient, retail, mass-dis-tribution system.

Schools In County To Mark Arbor Day

April 30th is Arbor Day. The last Friday of April was legally adopted in 1949 by the State of Illinois as "Arbor Day." Most holidays remind us of past events, but Arbor Day, set aside for the planting of trees, looks toward the future. This is truly conservation.

Walter Vogl, Secretary of the Lake County Soil and Water Conservation District, reports that local schools, youth groups, such as 4-H, Scouts, etc., and individual property owners are among those who are planting trees this year in observance of Arbor Day.

Another way of observing the Day is starting a "Tree Diary" whereby students "adopt" a tree and keep a diary of what happens to this particular tree: what birds visit it; what insects; when the buds swell in spring, when it blooms, puts on leaves, when it bears seed, and when they drop to the ground; etc. A spring trip through the Morton Arboretum, Route No. 53 in Lisle, is another way to learn much about the beauty and usefulness of our trees.

J. Sterling Morton, later Secretary of Agriculture, was responsible for the first proclamation of Arbor Day in 1872, in the treeless plains of Nebraska. Over a million trees were planted on that day. Every State in the Union now observes Arbor Day, fixing the date according to its seasonal activity. At first it was observed only by agricultural organizations and by towns to encourage the planting of shade and forest trees, shrubs and vines along highways and about homes and public property. Educators soon recognized its worth, however, and in 1884 the National Education Association voiced its approval. In some states, memorial trees and groves are planted on Arbor Day as living monuments to men who died in the services of our country.

Conservation may be defined as the wise use of all our natural resources for the permanent good of all the people. It is a way of living and looks toward the future, and planting trees on Arbor Day is one way we can participate in this future. For more information, contact the Lake County Soil and Water Conservation District Office in Lake Zurich. The phone number is 438-5427.

Survey In Village On Employment

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of April 19, Curtis T. Hill, Director of the Bureau's regional office in Chicago, announced today.

This survey is conducted monthly by the Bureau for the U.S. Department of Labor. A scientific sample of households throughout the entire United States is interviewed. The employment and unemployment statistics that are based on the results of this survey provide a continuing measure of the economic health of the Nation.

In February, for example, unemployment edged down for the second straight month: on a seasonally adjusted basis, 5.8 percent of the labor force was out of work as compared with 6.0 percent in December.

Facts supplied by individuals participating in the survey are kept strictly confidential by law, and the results are used only to compile statistical totals.

Teachers Hosted

The College of Lake County hosted the final 1970-71 meeting of the Illinois Association of Community College Reading Teachers. Dr. Katherine Barnes, coordinator of Developmental Services, CLC, welcomed more than a dozen presenters from northern Illinois community colleges. A tour of the instructional lab provided an opportunity for seminar participants to view the individualized learning center, examine the materials utilized and interact with students enrolled in the DSR curriculum.

The April 5 seminar explored many facets of junior college reading programs and recent innovations in reading techniques. Participants in an "idea sharing" session evaluated and discussed reading and study skills, available resources, and innovative concepts utilized in the programs of colleges represented in the seminar.

Highlight of the seminar was the presentation of Dr. Thomas Culliton, "What's New in Junior College Reading Instruction?" Dr. Culliton, a recognized national authority in reading, directs the secondary reading clinic at Boston University and has established reading laboratories across the country.

The IACRT membership, according to Betsy Resmondo, executive secretary of IACRT and reading instructor at CLC, is composed of English teachers, counselors, and instructors working in the general studies or developmental services areas in community colleges in Illinois. Resmondo indicated pleasure that the seminar drew representatives from Black Hawk, Arundel-Mayfair, Danville, Harper, Illinois Central, Illinois Valley, Kankakee, Loop College, Moraine Valley, Morton, Carl Sandburg, Thornton, and Waubesa colleges.

CLC Is Candidate For NCA Approval

The College of Lake County has been granted recognized candidate for accreditation status with the North Central Association. NCA, in granting candidacy acknowledges that the institution is actively engaged in the process of accreditation and has given evidence of an acceptable rate of growth and development. Recognized Candidate for Accreditation status does not assure or imply eventual accreditation.

The announcement was made on March 31 at the meeting of the Commission on Institutions of Higher Education in Chicago. The decision was based on the report of a diagnostic team of five examiners who visited the College of Lake County in December 1970 and conducted an extensive on-campus evaluation of the college's overall program and progress. The written report to the Commission, which pointed out not only the strengths of the institution but also areas of concern, noted that the College of Lake County "has achieved an impressive stature in its brief period of existence. It is surely a credit and tribute to all those who have participated in the planning, projecting and building to the present time—trustees, administrators, faculty, and students."

The examiners' report praised "the commitment, dedication and loyalty of the entire staff which is reflected by the generally positive attitude of both student and staff toward the college," and observed that the "attitude toward and support of the college by the community is encouraging and augurs well for the future."

The achievement of full accreditation is a three-step process and began when CLC applied for and was granted Correspondent status in 1969. "We are now in the second step toward full accreditation," observed Dr. Richard Erzen, CLC President. "We must complete the requirements for full accreditation within three years."

Erzen expressed appreciation for the assistance of the many persons who were involved in the accreditation process, and asserted that the college "shall continue to attempt to improve in the area of concern identified in the report."

FUNERAL NOTICES

ELLA G. JENSEN
Miss Ella G. Jensen — 73-year-old of 823 1/2 Berry Street — Chicago, Ill. passed away on Thursday April 8th at 1:50 a.m. in Illinois Masonic Medical Center in Chicago. She was born December 25, 1897 in Antioch, Ill. and resided here until moving to Chicago 10 years ago. She had been a piano teacher by occupation, and had operated a gift shop in her home for many years.

She is survived by 1 sister, Mrs. Marie Beck (Elmhurst Park, Ill.) — 2 nieces Miss Bernice Jensen (Elmhurst Park, Ill.) — Mrs. Alice (Bob) Sundin (St. Paul, Minnesota) — and 2 grand nieces.

Graveside services were held on Saturday at Hillside Cemetery in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated. Arrangements were made by Strang Funeral Home, in Antioch.

EDWIN L. SERRES
Mr. Edwin L. Serres, 49 years old of Main St. in Antioch, Ill. passed away at 8:45 p.m. on Thursday April 8th at Victory Memorial Hospital. He was born Feb. 18, 1922 in Reynolds, Ill. and had resided in Rock Island, Oso, Coal Valley, Rapid City, Waukegan, Ill. before moving to Antioch in 1969. He had worked 20 years as a line man for the telephone company. He had served in the U.S. Army during W.W. II.

He is survived by 1 son David L. Serres (Belvidere, Ill.) — 1 daughter Miss Connie L. Serres (Mundelein, Ill.) — 3 brothers Calvin, Donald, & Charles Serres (all of Moline, Ill.) — 1 sister Mrs. Annabelle (DeWitt) Danburg — 1 grandchild. He was preceded in death by 1 brother Raymond Serres.

Funeral services were held at the Strang Funeral Home in Antioch on Monday April 12, at 1:30 p.m. with Rev. Olson of the Immanuel Baptist Church of Waukegan officiating. Interment was in Home Oak Cemetery near Antioch.

CORNELIA DEWITT
Mrs. Cornelia DeWitt, 65 years-old of Silver Lake, Wis. passed away Saturday April 10th at her home on Lake Street. She was born April 14, 1905 in Arcadia, Wis. and resided in Viroqua, Wis. — Racine, Wis. for 3 years — Kalamazoo, Michigan for 6 years, and in Silver Lake for the past 31 years. She was a member of the Kettle Moraine Woman's Club, the Silver Lake Business and Professional Woman's Club, and several other civic organizations.

She is survived by her husband Dr. Chester A. DeWitt M.D. (Silver Lake, Wis.) — 2 sisters Mrs. P. B. Qualy (Burlington, Wis.) — Mrs. E. J. Boyle (Burlington, Wis.) & several nieces & nephews.

Funeral services were held at 2:00 p.m. Tuesday at the Silver Lake Community Baptist Church. Rev. Robert R. Mason of that church officiated. Interment was in Burlington Cemetery at Burlington, Wis. Funeral arrangements were made by Strang Funeral Home of Antioch.

MRS. ANTONIA BELL
Mrs. Antonia Bell, 65 years old of 3422 Grand Ave., Lindenhurst, passed away at 11 a.m. Tuesday, April 13th, at Victory Memorial Hospital. She was born on April 19, 1885 in Lithuania and came to America in 1902 to reside in Chicago until moving to Newport Township in 1953, and to Lindenhurst two years ago.

She was preceded in death by her husband Charles Bell and one daughter, Florence Bell.

Survivors are two daughters, Mrs. Josephine (Paul) Dunlap, Lindenhurst, with whom she had made her home, and Mrs. Eugenia Bierer, Chicago; one son, Edward Bell, New Albany, Miss.; one sister, Mrs. Josephine Bajor, Peoria; seven grandchildren and nine great-grandchildren.

Funeral services will be held at 1 p.m. today (Thursday, April 15) at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the Millburn Congregational Church will officiate. Interment will be in Mt. Rest Cemetery in Newport Township.

Legal Notice
